Sub :- Inviting application for Filmcity Internship Learning & Mentorship Program (FILM)

Let me take this opportunity to introduce the Maharashtra Film, Stage and Cultural Development Corporation Ltd. (MFSCDCL) located at Goregaon(East). More popularly known as Dadasaheb Phalke Chitranagari or Filmcity, we are a Government of Maharashtra Undertaking established in 1977 under the provision of the Companies Act, 1956. The objective of the Corporation is to promote and accelerate cultural activities in the field of cinema, dramatics, music, dance, folk arts and performing arts, along with giving an impetus to regional cinema. Spread over a lush green expanse of around 500acres, the Film city campus has studios, outdoor locations and open land. The Corporation is self-sufficient and earns an annual profit of around 20Cr, the main source of revenue being rental income from leasing out existing spaces to production houses on short term and long term basis.

The Corporation has been taking up new initiatives recently like formulation of Film and Media Entertainment (F&ME) Policy of Maharashtra, Single Window Cell for filming permissions, website redevelopment and online booking portal, refurbishing our outdoor locations to increase their aesthetic appeal, upgradation of existing facilities, seeking participation from sector experts ranging from producers, actors, technicians and the like.

We are very happy to apprise you about Filmcity Internship, Learning and Mentorship (FILM) program recently started by MFSCDCL, where we seek young interns/fellows to participate and collaborate with the government in furthering some of the initiatives as mentioned above. The F&ME sector is a buzzing sector in today's times with exciting opportunities and new avenues, with the coming of digital age and OTT platforms. This sector is set to grow exponentially over the coming decade, outperforming the annual GDP growth rate. Even though the global economy has suffered during the Covid-19 pandemic, it has been interesting to note that this sector has continued its growth trajectory. Keeping this in mind, an internship with the Corporation shall provide students with an opportunity in getting firsthand experience of working with the government, and also contribute significantly to long term policy initiatives which are needed in this transformative

phase of the F&ME sector. Working and mentoring with top officials, practical exposure of what goes on behind-the-scenes of this glamour industry, gain administrative insights and partnering on projects that could have an impact on the sector are some of the key takeaways from this Internship programme. The programme offers an array of sectors keeping in mind the nature of work of the Corporation, and the students are invited to select their area of learning. The fellow can contribute in a variety of ways such as administrative assistance, designing, project management, Policy research, Art and Architecture etc. It is proposed to pay a stipend of Rs.10000-15000 for undergraduate students and Rs. 20000-25000 for post-graduate students, and the same is negotiable as per the profile of the candidates.

Kindly find Application Form mentioning the nature of tasks to be allotted and availability of prospective Interns. Interested candidates to apply with their Resume on mdmfscdc@gmail.com. For any assistance, please contact Ms. Aanchal Goyal IAS, Joint Managing Director, MFSCDCL, phone +919023551003.

Last date of submission of application form - 10th Feb 2021
