**FORM B-2**

**RATE TENDER AND CONTRACTOR FOR WORKS**

**Maharashtra Film Stage & Cultural Development Corporation Limited Film City,  
Goregaon (East),**

**General Rules and Directions for the Guidance.**

1. A works proposed to be executed by contract shall be noticed in a form of invitation to tender pasted on a board hung up in the office of the Dy. Engineer and signed by the Dy. Engineer, M.F.S. & C.D. Corp. Ltd, film city, Mumbai – 400 065.

This form will state the work to be carried out as well as the date submitting and opening tenders, and the time allowed for carrying out the work, also the amount of earnest money to be deposited with the tender and the amount of security deposit to be deposited by the successions, and the percent, if any to be deducted from bills. It will also state whether a refund of quarry fees, royalties, dues and ground rent will be granted. Copies of the specifications, designs and drawings, estimated rates, scheduled rates and any other documents required in connection with the work shall be signed by the Dy. Engineer for the purpose of identification and shall also be open for inspection by contractors at the office of the Dy. Engineer during office hours.

Where the works are proposed to be executed according to the specifications recommended by a contractor and approved by a competent authority on behalf of the Government of Maharashtra such specifications with designs and drawing shall form part of the accepted tender.

2. In the event of the tender being submitted by a firm, it must be signed by each partner thereof and in the event of the absence of any partners it shall be signed on this behalf by a person holding a power of attorney authorizing him to do so.
- 2(A) (i) The contractor shall pay along with the tender the sum of Rs.20,000/- ( Rupees Twenty Thousand only) as and by way of earnest money. The said amount shall not carry any interest whatsoever.

- ii) Subject to the provision in sub clause (ii) below the said amount of earnest money shall appropriated towards the amount of Security Deposit payable by him under condition in General Condition.
  - iii) If, after submitting the tender contractor withdraws his tender or modifies the same or if after acceptance his tender the contractor bills or not to furnish the balance of Security Deposit without prejudice to any other rights answers at Corporation hereunder, or in law Corporation shall be entitled to foretaste full amount at the earnest money deposit.
  - iv) In the event of his tender not being accepted, the amount of earnest money deposited by the contractor shall, unless it is prior thereto forfeited under the provisions of sub clause (iii) above, be refunded to him on him passing receipt therefore.
3. Receipts for payments made on account of any work, when executed by a firm, should also be signed by all the partners except where the contractors are described in their tender as a firm, in which case the receipt shall be signed in the name of the firm by one of the partners, or by some other person having authority to give official receipts for the firm.
4. Any person who submits a tender shall fill up the usual printed form stating at what percentage above or below the rates specified in schedule 'B' (memorandum showing items of work to be carried out) he is willing to undertake the work. Only one rate or such percentage on all the Estimated rates/Schedule rates shall be named. Tenders which propose any alteration in the works specified in the said form of invitation to tender, or in the time allowed for carrying out the work or which contain any other conditions, of any sort will be liable to rejection. No printed form of tender shall include a tender for more than one works but if contractor who wish to tender two or more works, they shall submit a separate tender for each. Tender shall have the name and number of the work to which they referrer, Written outside the envelope.
5. The Dy. Engineer or his duly authorized Assistant shall open tenders in the presence of contractors who have submitted tenders or their representatives who may be present at the time, and he will enter the amount of several tenders in a comparative statement in a suitable from. In the event of a tender being accepted, the contractor

shall for the purpose of identification sign copies of the specifications and other documents mentioned in rule 1. In the event of tender being rejected, the competent officer shall authorize the Treasury officers Scheduled Bank concerned to refund the amount of the earnest money deposited to the contractor making the tender, on his giving a receipt for the return of the money.

6. The Officer competent to dispose of the tenders shall have the right of rejecting all or any of the tenders.
7. No receipt for any payment alleged to have been made by a contractor in regard to any matter relating to this tender or the contract shall be valid and binding on Government unless it is signed by the Engineer.
8. The memorandum of work to be tendered for and the schedule of materials to be supplied by the department and their rates shall be filled in and completed by the office of the Dy. Engineer before the tender form is issued. If a form issued to an intending tendered has not been so filled in and completed he shall request the said office to have this done before he completes and delivers his tender.
9. All work shall be measured net by standard measure and according to the rules and customs of the Public Works Department and their rates shall be without reference to any local customs
10. Under no circumstances shall any contractor be entitled to claim enhanced rates for items in his contract.
11. Every registered contractor should produce along with the tender certificate of registration as approve contractor in the appropriate class and renewal of such registration with the date of expiry
12. All corrections and additions or pasted slips should be initiated
13. The measurements of work will be taken according to the usual method in use in the Public Works Department and no proposal to adopt alternate methods will be

accepted. The Dy. Engineer's decision as to what is the usual method in use in the Department will be final.

14. The tendering contractor shall furnish a declaration along with the tender showing all works for which he has already entered into contract, and the value of work that remains to be executed in each case on the date of submitting the tender.
15. Every tender shall furnish along with the tender, information regarding the income-tax circle or ward of district in which he is assessed to income-tax the reference to the number of assessment and the assessment year and a valid Income Tax clearance certificate.
16. In view of the difficult position regarding the availability of foreign exchange no foreign exchange would be released by the Department for the purchase of plant and machinery required for the execution of the work contracted for (GCB/PWD/CFR/1058-62517 dated (26-9-1959)
17. The contractor will have to construct shed for storing contractor and valuable materials issued to him under Schedule 'A' of the agreement, at the work site having double locking arrangement. The materials will be taken for use in the presence of the Departmental person. No materials will be allowed to be removed from the site of works.
18. The contractors shall also give a list of machinery in their possession and which they propose to use on the work.
19. Every unregistered contractor should furnish along with tender a statement showing previous experience and technical staff employed by him.
20. Successful tenderer will have to produce to the satisfaction of the accepting authority a valid and current license issued in the favour under the provision of Contract Labour (Regulation and Abolition Act 1973) before starting work, failing which acceptance of the tender will be liable for withdrawal and earnest money will be forfeited to Government.

21. The Contractor shall comply with the provisions of the Apprentices Act 1961 and the rules and orders issued there-under from time to time. If he fails to do so, his failure will be a breach of the contract and the Dy. Engineer, may, in his discretion cancel the contract. The contractor shall also be liable for any pecuniary liability arising on a account of violation by him of the provisions of the Act.
- 22. ADDITIONAL SECURITY DEPOSIT: (Ref; GR No, BDG/2016/C. No 2 / Bldg 2 dated 12/2/2016) & (201603171748270318 date 17/03/2016)**
- i) If the rate quoted by the bidder in the tender is more than 10% below, with respect to the amount put to tender, then proper justification shall be given to the satisfaction of Tender Calling Authority, along with detailed work planning assuring quality adhering to specifications mentioned in the tender and completion within the time period allowed for the work.
  - ii) If the rates quoted by the bidder in the tender are below with respect to the amount put to tender, the bidder will have to provide additional deposit in the form of Demand Draft towards Performance Security in Envelope No. 2 as below: For quoted rates below 1 to 10%: 1% of the amount put to tender for quoted rates below more than 10%: 1% of the amount put to tender e.g if the rate quoted is 14% below Demand Draft shall be of [ 1% + (14%-10%)] that is 1% + 4 % =5% of the amount put to tender.
  - iii) Directives for submission and refund of additional Performance Security Deposit:
    - a) Demand Draft shall be drawn on Government Nationalized bank or Scheduled Bank.
    - b) The period of Demand Draft shall be up to minimum 3 months after the date of opening of Tender.
    - c) After issuing Letter of Intent to the Bidder, the Bidder should submit the additional Performance Security Deposit within 5 (Five) working days.

238	25 mm. X 8 SWG Wood Screw	Each Pkt.	
239	35 mm. X 8 SWG Wood Screw	Each Pkt.	
240	45 mm. X 8 SWG Wood Screw	Each Pkt.	
241	Machine screw with nut 1/8" x 1.25"	Each Pkt.	
<b>SWITCH BOARD :</b>			
242	4" x 6" Sunmica folding	Each	

243	8" x 10" Sunmica folding	Each	
244	10" x 12" Sunmica folding	Each	
245	12" x 12" Sunmica folding	Each	
246	4" x 6" PVC switch board	Each	
247	8" x 10" PVC switch board	Each	
248	10" x 12" PVC switch board	Each	
<b>ADDITIONAL ITEMS</b>			
249	FN 32A TPN Switch (LT)	Each	
250	MN x 18 Contactor (LT)	Each	
251	21/0 MPC 240 V with Base (LT)	Each	
252	3 RF 34 Contactor 110 V (Siemens)	Each	
253	3TF 1026 AC 20 Contactor (Siemens)	Each	
254	MN x 25 AMP Contactor	Each	
255	Addl. Block 2 No. 2NC	Each	
256	Screw driver / Tester	Each	
257	Pliers	Each	
258	Adjustable Spanner	Each	
259	Spanner set	Each	
260	Spreader link	Each	
261	NO/NC contactor	Each	
262	LED street light driver	Each	
263	LED Chock	Each	
264	Power Protector for LED	Each	
265	M-seal	Each	
266	Grease	Each	
267	Drill beat set	Each	
268	Hammer	Each	
269	File (kanas)	Each	
270	Lock	Each	
271	Meggar	Each	
272	Tong tester	Each	
273	Timer mounting box	Each	
274	Drill Machine	Each	
275	Ladder Fiber Wheel set	Each
