#### **Emphasis of Matter**

We draw attention to the following matters in the Notes to the Financial Statements.

Sr No.	Note Reference	Remarks
1	10B (a)(iii)	Capital work-in-progress includes no. of projects which are outstanding more 3 Years amounting to Rs. 497.76 Lacs (as at 31/03/2021 Rs. 362.28 Lacs). The management has determined that there is no impairment provision needed on these assets till it is ascertained by next financial year that there is no possibility of completing the unfinished work and putting these assets to use.
2	36	The Company has not paid GST liability on advance received from customers although under the regulatory provision liability to GST arises at the earlier of receipt of advance or raising of invoice. Further, the Company has not paid/provided interest for such delayed payment of GST, nor does it have any written opinion to confirm the stand taken in these regards. In the current financial year the Company has paid GST on some transactions where advance was received from customers, however the same is not done consistently in respect of all the advance receipts.
3	37	The Company has balance as on 31 March 2022 of Rs.11.37 lakhs as Deposits from customers and others out of which Rs.4.75 Lakhs is outstanding for more than 3 Years.
4	39	The company is yet to comply with certain Companies Act, 2013 related compliances, penalty for which is neither ascertained nor provided for.
5	46	As per Schedule III of Companies Act, 2013, the Company is required to bifurcate and disclose the trade payables in to MSME & Non-MSME vendors and also required to communicate to the vendors for their classification as MSME. During the year ended 31 March 2022, we did not come across any such communication made by the Company to its vendors. Therefore, the classification as required by the Schedule III of Trade Payables into MSME & Other Payables cannot be identified. Moreover, the liability towards interest on payment to MSME vendors beyond 45 days as per the MSME Act, 2006 cannot be ascertained.

Our opinion is not qualified in respect of the above matters.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

#### **Responsibility of Management and Those Charged with Governance for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors is also responsible for overseeing the company's financial reporting process.

### **Auditor's Responsibility**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## **“ANNEXURE III” TO THE INDEPENDENT AUDITORS' REPORT**

**(Referred to in paragraph 4 (f) under 'Report on other legal and regulatory requirements' section of our report to the Members of Maharashtra Film, Stage and Cultural Development Corporation Ltd. of even date)**

**Report on the internal financial controls over financial reporting under clause (i) of sub – section 3 of section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Members of Maharashtra Film, Stage and Cultural Development Corporation Ltd. (“the Company”) as at March 31, 2022, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### **Management's responsibility for internal financial controls**

The Company management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the

risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

### **Meaning of internal financial controls over financial reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of internal financial controls over financial reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Qualified Opinion**

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at March 31, 2022:

- a) The Company did not have an appropriate internal control system for damage recovery, Interest on delayed payment by parties (as per agreement), Subletting by Lessee, Calculation of tourist fees, Electricity charges receivable for income, which could potentially result in less identification of income as well as recovery.
- b) The Company did not have an adequate internal control system for Human Resource and Payroll policy for attendance and data sharing. This could potentially result in excess payment for employee benefit expenses and due to use of personal Email ID's for work poses risk of losing company privacy, violating customer privacy etc.
- c) The Company did not have an appropriate internal control system for Fixed asset labeling, scrap assets and replaced assets this could potentially result in asset

theft, lack of asset maintenance, decrease efficiency etc., No control on installed machinery usage results in unnecessary investment fund and human intervention for completing the work.

- d) The Company did not have an appropriate internal control system for submission of regulatory reports and filings related to MCA, GST Compliances this could results in financial loss, disqualification of directors, the Company being liable to interest/penal provisions under the statutes, short provision, inadequate disclosure of contingent liability in respect thereof.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, the Company has, in all material respects, maintained adequate internal financial controls over financial reporting as of March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India and except for the possible effects of the weaknesses described above on the achievement of the objectives of the control criteria, the Company's internal financial controls over financial reporting were operating effectively as of March 31, 2022.

We have considered the weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2022 financial statements of the Company, and these weaknesses does not affect our opinion on the financial statements of the Company.

**COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL STATEMENTS OF MAHARASHTRA FILM, STAGE AND CULTURAL DEVELOPMENT CORPORATION LIMITED, MUMBAI FOR THE YEAR ENDED 31 MARCH 2022.**

The preparation of financial statements of Maharashtra Film, Stage and Cultural Development Corporation Limited for the year ended 31 March 2022 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 is the responsibility of the management of the company. The statutory auditors appointed by the Comptroller and Auditor General of India under section 139(5) of the Act, are responsible for expressing opinion on the financial statements under section 143 of the Act, based on independent audit in accordance with the standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their audit report dated 17 November 2022.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit under section 143(6)(a) of the Act of the financial statements of Maharashtra Film, Stage and Cultural Development Corporation Limited for the year ended 31 March 2022. This supplementary audit has been carried out independently without access to the working papers of the statutory auditors and is limited primarily to inquiries of the statutory auditors and company personnel and a selective examination of some of the accounting records. Based on my supplementary audit, I would like to highlight the following significant matters under section 143(6)(b) of the Act, which have come to my attention and which in my view are necessary for enabling a better understanding of the financial statements and the related audit report.

**A) COMMENTS ON PROFITABILITY**

**I. Revenue from operations (Note No. 19): ₹ 65.62 Crore**

1. The above does not include ₹ 2.19 crore, being the amount of compensation paid to various production houses on account of COVID-19 pandemic, Instead of accounting for the due income and then expressing out the compensation amount by debiting it to the Profit and Loss Account, the Company accounted for the net income. Accounting for net income has led to the understatement of Revenue from Operations and other Expenses by ₹ 2.19 crore.

**B) COMMENTS ON FINANCIAL POSITION**

**II. ASSETS**

**1. Non-Current Assets**

**(a) Property, Plant and Equipment**

**III. Capital work-in-progress (Note No. 10) : ₹ 9.67 crore.**

2. The above includes ₹ 6.08 crore pertaining to the Master Plan Project of the Company which was shelved in July 2021. The above expenditure was incurred on consultancy and administrative procedural works required for preparing the Master plan for development of the incurred towards the same should have been expensed out. Not doing the same has led to the overstatement of Capital work-in-progress and understatement of expenses by ₹ 6.08 crore.

**C. COMMENTS ON DISCLOSURE**

3. The Company has disclosed under Note 51(g) that it has made provision for the unspent amount of Corporate Social Responsibility (CSR) as per the Ministry of Corporate Affairs' notification dated 22.01.2021. However, Audit observed that this was incorrect because the Company was liable to transfer the unspent CSR amount to a fund specified under Schedule VII of the Companies Act, 2013, (the Act) as per Section 135(5) of the Act, within six months of the close of the financial year. The Company had neither expended the CSR amount nor transferred the fund within six months. Further, Section 135(6) of the Act attracts penalty, in case of default in complying with Section 135(5) of the Act. The Company should have disclosed the non-compliance of Section 135(5) of the Act and the status of its adjudication regarding penalty mentioned under Section 136(6) of the Act. Thus, the disclosure was deficient to this extent.

The financial statements are prepared on the basis of historical cost convention, and on the accounting principle of a going concern.

The Company follows mercantile system of accounting and recognises income and expenditure on accrual basis except those with significant uncertainties.

**b) Use of Estimates:**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affects the reported amounts of assets and liabilities and the disclosures of contingent liabilities on the date of financial statements and reported amounts of revenue and expenses for that period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Estimates and underlying assumption are reviewed on an ongoing basis. Any revisions to accounting estimates are recognized prospectively in the current and future periods.
